

## **BCU Southern Region Paddlesport Competition.**

This season's results and final event results are below. B3C Snappers came third in the final event and 3rd overall in the series and ..... B3C Snakes came fourth in the final event and 4th overall in the series! We had a staggering 15 teams taking part this year and the competition went on for longer.

A really good 'well done' to both teams and a thank you to you parents for supporting your youngsters.

Special mention to Mike Rees-Clark for beating Brian Greenham in a K1 sprint! Many super performances at the Pangbourne Regatta (which incorporated the final PSC event) and a tiring day for all. I have 3rd place season certificates for all the Snappers and several certificates for youngsters who left early on Friday. I also have the 3rd place shield - see piccy below.

See you on the water,

Paul Jeffs  
Paddlesport Challenge Coordinator
