

**Not to be left out of the picture - Sarah Francis and Chris Absolom on Thameside 2.** The pictures are courtesy of Mike Simpson who says "Only able and experienced paddlers were allowed to start the Thameside 2 race from Reading to Longridge. The river was flowing at peak rates and good skills were needed on this cold and very wet day".

*Nearing Marsh Lock, Henley. Like the style: lovely garden.*

*Portaging Marsh Lock. "Oh, come on Chris".*
