

BAS second at Pangbourne Hasler Race

Twenty-two paddlers raced at Pangbourne Sunday 13th July. There were a few absentees but nonetheless 22 is a number we would have been hugely happy with 2-3 seasons ago and the club came second in the Hasler points table.

Congratulations to all our competitors but especially to Andrew and Paul Jeffs, winners of division 7K2, James Freemantle and Sarah Francis/Jon Johns for their fourth place finishes.

It was good to see a strong performance from Ben Hansell in his first K1 Hasler race and to see Nigel Cole and Jason Ashwell racing.

We had four juniors in the Lightning race including Daniel Evans who was racing for the first time. No medals on Sunday but the team came 5th in the points table and Ryan and Emily did very well to get second in the K2 race.

Boys Under 12 Lightning Race gets underway with rather more concentration with what others are doing!

Wokingham this coming Sunday. Let's hope for good weather and a good turn out from BAS.
