

## **Marathon World Cup - Mike Lambert**

Mike featured in the last Waterfront. He had been selected to race at the Marathon World Cup in Portugal on Sunday 13 July but his trip did not go as he would have liked. The team manager in his report:

"Crestuma offers a couple of unusual challenges – rough water conditions and a very hard portage. Past years have seen plenty of sinkings and capsizes, and this year was no exception.

In the junior doubles on Sunday, we had Mark Childerstone of Wey and Daniel Barber (|Elmbridge) racing in K2, along with Matt Welch and Mike Lambert, both of Wey. Mike had been nursing an injury for a couple of weeks, and after leading the group around the first lap, he and Matt were forced to retire."

Bad luck, Mike. Take care with that injury and go hard for it next time.

A full report and the results can be seen on the Marathon website <http://www.marathon-canoeing.org.uk/>
