

Waterside "C": Pewsey to Newbury: Sunday 15 March

The race is from Pewsey, climbing at first to the summit of the canal at the 502 yards Bruce Tunnel and then dropping down to Newbury which is reached after 35 portages and some 23 miles. A superb day weather-wise: a great turn-out (484 paddlers in 271 boats) and a really good set of results from the 19 BCCC paddlers who took part.
