3. The youth section retired to form their own committee.

4 Chairmans report.

Overview of 2011

- This year the Club was reassessed for Clubmark accreditation. I am pleased to say that the reassessment was successful. That achievement was principally down to the efforts of Liz Murnaghan.
- We had some fantastic racing results this year with the club achieving its best ever position in the Hasler final with 6th place. Not bad for a club with no clubhouse! We also had a national champion crowned at the National Marathon Championship in August and paddlers competing at international level – more about that later.
- The club's finances are looking very healthy but I will leave Brian to expand on this in his report.
- We have seen major improvements made to our equipment storage in the boathouse this year and we now have a sensible system for storage of paddles, buoyancy aids etc. Thanks to Lee Matthews and Brian Biffin and the rest of the team for their hard work in completing this task.
- The shower block project is suspended whilst the planning application awaits the outcome of a bat survey. The Surrey Wildlife Trust is insisting on a bat survey as a condition of its support for the planning application. Assuming planning permission is granted then funding

needs to be sought. Currently the BCA is struggling to fund its basic operation and grants are in short supply, so it might be some time before the project is concluded.

- The club continues to provide pool sessions and the Yateley school pool was piloted in July and will be considered again once the current refurbishment completes in about April 2012. In the meantime the club will continue to use RAF Odiham. There is a session scheduled for this Sunday so please give it your support.
- The club is reaching a key turning point as new volunteers are needed to replace those retiring or reducing their input. We need to continue to encourage members to take responsibility for some part, however small, in helping to run this club.
- One of our affiliated groups, KC21 Kayak, disbanded during this last year and KC21 very kindly donated their fleet of 10 Master TG kayaks to our club. In recognition of this generosity, BCCC made a donation to KC21's charity of choice.
- Training has been provided to a number of members on the black art of maintaining the club's website. The workload is now distributed and no longer relies on a single individual. Net result is that the website will be even more up to date! Whilst on this subject, I would like to point out that the photo galleries section is now back in action.
- Brian Gandy has handed the editorship of the Waterfront magazine to Paul Jeffs. Paul will continue to update the 'headlines' section of the club's website home page on a near real-time basis.
- The private boat storage rental management is now in the capable hands of Garry Winckley.

RACING

- What a year with some tremendous results both individual and team!
- International scene:
 - Sam Rees-Clark with her Royall CC partner won the 15km Junior Ladies K2 at the Loire Marathon on Sunday 25 September.
 - Cameron Kelly and Sam Rees-Clark competed in the 18Km Gent Marathon event earlier in the year. Cameron came 10th in the 15-16 year age group and Sam came 4th in the same age group and she was 8th overall in the ladies race.
- BCCC finished 3rd in the southern region and was 6th in the Hasler finals – the best result yet achieved (previous best was 8th place).
- The club finished 12th in the National Marathon Championships. Notable results:
 - National champion: Joe Hansell: 1st in both K1 and K2
 - Dave Howie: 2nd in K2.
 - Sam Rees-Clarke: 2nd in K2 and 3rd in K1.
 - Third place for the K2 of Charles & Bill; and the K1s of Robin Lees and Richard Somerset.
- A good start to this season with the club achieving 1st place at the Pangbourne and Henley rounds of the Hasler competition
- The Club has continued to make investment in racing equipment and this year having purchased 3 K1s and one K2.
- Dave Howie has joined the coaching team and I think most people will agree the team's performance and results have improved as a consequence of his input.
- We had yet-another very successful and well run BCCC Hasler round – thanks to Howard Smith and team!

- The Club winter race had to be cancelled due to proposed embankment repairs between Ash Lock and Ash Wharf, although it is likely that it would have had to be cancelled anyway due to ice.
- We are looking for volunteers for this year's Basingstoke Canal Challenge on 11th December. If you are interested please contact Brian Gandy.
- Talking of longer distance... Waterside Series:
 - Isobel Smith and Naomi Smith: 1st Ladies K2 in a time of 13:19:06. This beat the Waterside Series Record that had stood since 1995!
 - Andrew and Paul Jeffs: 3rd in Junior/Veteran K2.
 - K2 Snr Men – 4th Jamie Cox and Derek Campbell – 13:49:05
 - K1 Senior Men – 4th Jon Freemantle – 15:03:12
 - K2 Veterans – 7th Mark Evan and Neil Matthews – 15:15:53
- D-W 2012:
 - Mike Rees-Clark and partner Ed Dobson from Devizes achieved 3rd place in the Junior doubles with a time of 17:33:10.
 - Sam Rees-Clark finished with partner Connor Peters from Fowey. Their time of 18:37:44 gave them 5th place and also the trophy for the fastest junior mixed crew.
 - Jon Freemantle finished 11th in the K1 race with a time of 20:35:41.

Coaching.

- Paddlepower: 2 excellent courses organised once again by Liz M. Rose will be organising in 2012.
- Many training and star courses held through the year (too many to list!).
- 7 members have passed their 3 star Whitewater award.
- BCCC again hosted the Hants Youth Games – thanks to Liz M for organising.

TRIPS

- Proliferation of whitewater trips throughout the year.
- Smattering of sea trips which included the Hayling Island circumnavigation.
- Various River (cruising) trips.
- A small number of exploratory location visits for potential 2012 trips, e.g, the tidal Arun, Kefalonia.
- French Holiday (Pas de Calais area): in August this year – very well attended.

BCU membership

There is some concern that in future BCU (Canoe England) may elect not to cover the Basingstoke canal with its license. I would ask all members to consider taking out BCU membership as an increase in membership numbers would influence any decision by the BCU on this matter.

Volunteers:

I would like to take this opportunity to mention some of the unsung heroes of the club – those volunteers who continue to give of their time to benefit other club members. Without these people we would not have a club.

Thanks to:

- Paddlepower

- Jill Veness – booking in.
- Coaches: Rose Fox; Brett Dale-Heaps; Brian Biffin; Liz Murnaghan; Paul Jeffs; Richard Somerset, Nick Boreham.
- Pool: Lee Mathews.
- BBQ: Liz Oliver and Murray Jones
- RACING
 - Dave Howie, Richard Somerset, Lis Coleman, Brian Gandy.
- Liz Murnaghan: secretary, membership secretary, Southern Region treasurer; coach, mentor and CAKE baker.
- Brian Gandy: Treasurer
- Gavin Branch: Hasler organisation and the H&H.
- And ... the other members of the Committee.

Thanks

Due to pressure of work, I have elected to stand down from the committee this year. It has been a enjoyable and sometimes challenging 4 years . Thanks for the support provided to this novice over the last 4 years, particularly that provided by: Liz Murnaghan; Brian Biffin, Brian Gandy; Charles Hicks; Richard Somerset, Alan Taylor and Gavin Branch.

5 Treasurers report

A copy of the audited accounts had been circulated to members. Brian ran through them pointing out the key sources of income and expenditure. The accounts were accepted with no amendments.

6 Proposals for consideration

a Subscriptions and costs

The Committee proposed that “Annual membership” fees remain unchanged and “Boat Storage “ fees are increased by 5% to cover increased costs. Joining fees will remain unchanged.

| Membership fees | Current | Proposed |
|--------------------|---------|----------|
| Affiliated | £78.75 | £78.75 |
| Adult | £31.50 | £31.50 |
| Family | £63.00 | £63.00 |
| Associate | £18.90 | £18.90 |
| Boat store fees | | |
| GPs and K1s | £29.40 | £31.00 |
| K2s and Sea kayaks | £40.95 | £43.00 |
| Canadians and SOTs | £52.50 | £55.00 |
| Double sea kayaks | | £55.00 |

The changes were accepted with no amendments.

b Changes to the Club Constitution.

The following changes were proposed to the Club Constitution. (Subject to approval by HMRC after the AGM).

Presently membership lapses if not renewed within three months but is back-dated if the ex-member rejoins within 12 months. The proposed changes to Clause 4.4 removes this inconsistency.

The club has email addresses for almost all members. The additional sentence in Clause 10.3 allows notices of meetings to be given by email in future.

The Committee considers that members who wish to stand for election to the Committee should be known in advance of the AGM and propose a new Clause 10.5.

It is proposed that;

(a) Clause 4.4 is changed to read:

"4.4 Subscriptions are due upon being accepted as a member of the Club and on the first day of the month in which membership is renewable. A member shall be deemed to have resigned from the Club if, after due notice in writing, he or she has not paid the required subscription within three months of the due date. Any membership renewed within THREE months of the due renewal date shall be back-dated to that renewal date.

Any membership renewed more than THREE months after the due renewal date, shall be treated as a new application for membership.

"

(b) Clause 10.3 is changed to read:

10.3 Not less than fourteen days' Notice shall be given of the date and venue of any General Meeting. "Notice" shall include the agenda, audited accounts (where applicable) and other material on which a resolution is to be proposed at the meeting. Notice shall be sent to all members by post, email or other acceptable means.

(c) New Clause 10.5 be inserted and that existing Clauses 10.5, 10.6 and 10.7 be renumbered accordingly.

"10.5 Any member who wishes to be considered for election to the Committee, either as an officer or as a general committee member must inform the Secretary in writing 28 days before the AGM so that their details can be circulated to all members with the AGM material."

The changes were accepted with no amendments.

7 Election of Committee.

The following nominations were received from members who are willing to stand on the Committee Chairman; Richard Boreham,

Secretary; Liz Murnaghan,

Treasurer ;Brian Gandy

General Committee members (5 required), Brian Biffin, Rose Fox, Tim Truesdale, Garry Winckley, Carl Veness

No additional nominations were received at the meeting. The meeting elected the nominees, there were no objections.

8 Proposed toilet block development

Alan outlined in his Chairmans speech that the application for planning permission is currently suspended pending the completion of a bat survey.
