- Paul Sandy
- Andrew Jeffs

7. Survey results

8. Presentation of trophies

9. AOB

Following the formal AGM, there will be an informal dinner at the same location for those who have signed up in advance.

Proposals

1. Membership fee increases

The committee proposes that annual membership fees increase by the following amounts.

Subscription	Current Rate	Future Rate
Adult	£37	£39
Junior	£37	£37
Family	£74.5	£76
Affiliated	£90	£95
Associate	£21.5	£22

Adult and affiliate membership fees will increase by approximately 5%, which is slightly in excess of inflation, to reflect the recent investment in facilities.

Junior memberships will not increase this year, because we would like to encourage more youths to join the club.

Family membership will be adjusted to remain equal to the cost of one adult membership plus one junior membership.

There are no proposed fee increases for boat storage for the current year.
